You can also:

- Receive a check for your full cash value and pay the annual renewable term rates up to age 98.

Total and Permanent Disability Benefits Waiver of Premium rider

This rider waives policy and rider premiums if you become totally, permanently disabled. The waiver period is six months after you become totally, permanently disabled until you recover or reach age 60.

Accidental Death Benefit rider

This rider doubles the death benefit up to \$150,000 if you die as the result of a covered accident on the road, at work or at home.

Once you convert your cash value to the lower death benefit, you cannot reverse it after that option is in effect.

²The available face amount varies by age.

³The ROP feature gives you 50% of your eligible paid premiums at the end of your selected term. "Eligible premiums" do not include premiums for riders and waived premiums.

⁴Ending your coverage before the end of the level-premium term will result in a premium return of less than 50% of paid premiums.
