NOTE: This authorization is designed to comply with the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and relates to information necessary to administer benefits and services under Employer's employee health and welfare plan(s) ("the Plan") and statutory and/or private leave of absence or job accommodation programs. "Employer" is defined to mean your employer, or your family member's employer to the extent benefits, services, or leave are being sought under your family member's employer's Plan. You are not required to sign the authorization, but if you do not, the Plan, insurers or other providers may not be able to process your (or your family member's) request for benefits or services under the Plan or statutory and/or private leave of absence or job accommodation programs.

AUTHORIZATION

If I am also covered by Cigna Health and Life Insurance Company or its affiliates ("Cigna"), I authorize Insurance Company to disclose the health and other information described above to Cigna to assist me with my health coverage and to provide its services and benefits. I understand that the information disclosed under this authorization is subject to redisclosure and may no longer be protected by HIPAA or other federal regulations governing the privacy of health information, although it may continue to be protected by other applicable privacy laws and regulations. I further understand that if any information is used for services relating to Employer's leave of absence or job accommodation programs, that information may be disclosed to Employer at any time. Additionally, I understand that information may be disclosed to the employee who elected my coverage or submitted a claim for benefits under my coverage, or requested leave.

This authorization shall be valid for 12 months or the duration of my claim for insurance benefits, whichever is longer. I also understand that Insurance Company will maintain a copy of this authorization, and that I am entitled to a copy of this authorization and a photographic or electronic copy of it is as valid as the original.
