I understand and agree that:

- The information provided on this Enrollment and Statement of Health form is true and correct to the best of my knowledge.
- The insurance requested will become effective in accordance with the individual effective date information in the Policy; any amount subject to evidence of insurability will not become effective until approved by Reliance Standard and Reliance Standard has the right to refuse my request. Coverage is subject to a minimum participation requirement at the employer level and if the minimum is not met, coverage may not be issued even though an enrollment form has been completed. An effective date is subject to eligibility requirements, satisfaction of service waiting period (if applicable) and payment of first premium when due. An effective date may be deferred for an employee not actively at work and enrolled dependents confined to a hospital or at home.
- Benefits are subject to terms and conditions of the Policy.
- For age-banded rate plans, premiums increase as an employee (or spouse, if applicable) moves from one age band to the next.
- If payroll deduction of premiums begins prior to Reliance Standard's processing of the enrollment form, it does not mean coverage is in effect; premiums paid for coverage not issued will be returned.

I further understand and agree that if I am applying after the expiration of my initial eligibility period, all medical tests and costs for attending physician reports may be without expense to Reliance Standard Life Insurance Company and I may be responsible for paying the expenses, if any.

I acknowledge receipt of the "Designation of Beneficiary" form and "Important Information Regarding Applications for Insurance" and "Notice Regarding Information Practices". If a Designation of Beneficiary form is not completed or one is not on file with the Plan Administrator, the provisions of the Policy will determine to whom benefits, if any, will be payable.

AUTHORIZATION: I authorize any licensed physician, medical practitioner, hospital, clinic or other medical or medically related facility, insurance company, organization, institution, person or the MIB, LLC. to release any information or record(s) on me or my health to be used in determining the acceptability of my application for insurance. I authorize any such information or record(s) to be released to Reliance Standard Life Insurance Company, its reinsurers or authorized representatives. I also authorize Reliance Standard or its reinsurers to make a brief report of my personal health information to the MIB. This authorization, or a photographic copy, shall be as binding as the original and valid for a period not exceeding twelve (12) months from this date. I understand that I (or my authorized representative) will be sent a copy of this Authorization upon request.

I understand that I may revoke this Authorization at any time by writing to Reliance Standard Life at its Administrative Office (address: 1700 Market Street, Suite 1200, Philadelphia, PA 19103-3938 Attn: Medical Underwriting). I understand that revocation is subject to the rights of any person who acted in reliance of this Authorization prior to Reliance Standard Life receiving written notice of the revocation. I further understand that renovation of this Authorization will not apply to Reliance Standard when the law provides for the right to contest the insurance coverage or a claim thereunder.

Please Note: During an approved enrollment, guaranteed issue amounts of insurance will not require a Statement of Health form provided the Enrollment form is complete, signed and received by your employer during your enrollment period and: a) you are not a late applicant with respect to insurance for yourself (and/or your spouse, if applicable); or b) during your present service with your employer or an affiliate, you (and/or your spouse, if applicable,) have not, with respect to insurance with Reliance Standard or an affiliate: had an application withdrawn; been previously declined; had coverage postponed; or voluntarily terminated; or c) the enrollment period is not one with specific guaranteed issue/health acceptability rules.
